

**Texas State Board of Examiners of Psychologists
Renewal Statement of Exemption
From \$200 Professional Fee**

For exemption from the \$200 professional fee, please complete this form and submit it to the Texas State Board of Examiners of Psychologists by fax or mail at least two weeks prior to submitting your renewal application online.

A governmental facility or a regionally accredited institution of higher education is considered an exempt agency.

Only provisionally licensed psychologists and licensed psychologists are required to pay the \$200 fee. Therefore, only these types of licensees can be exempted from the \$200 fee if they work solely in an exempt agency.

I certify that my practice is limited to providing services within an exempt agency. I will not provide services outside that setting during the term of this renewal.
