- B. Application Fee: A fee of \$220 (non-refundable), payable to the Texas State Board of Examiners of Psychologists (T.S.B.E.P.), to cover the cost of the Board's consideration of your request for licensure.
- C. One of the following, as applicable:

Documentation indicating that you hold active certification as a Nationally Certified School Psychologist (NCSP) by the National Association of School Psychologists (NASP). You may obtain this documentation from the NASP website and then mail it to the Board.

OR

If you are not credentialed by NASP, your application must indicate that you have taken and passed, at the approved pass rate set by the Board (660 if taken before 9/13/08; 165 if taken between 9/13/08 and 9/8/14; and 147 if taken 9/9/14 or thereafter), the Praxis School Psychology Examination (administered by the Educational Testing Service, telephone number 800-772-9476) and the date you took and passed this exam. Applications are reviewed within six weeks of receipt, and in the order in which they are received. In the event your application is found to be incomplete or agency staff have questions regarding your application, a staff member will contact you with his or her question or regarding any missing or incomplete items. **Do not contact agency staff within this six week period unless you are responding to an inquiry from staff.** In the event you have not heard from the agency within six weeks of submitting your application, you may contact agency staff, preferably via email, to check on the status of your application. Telephone calls and emails requesting a status update within the initial six week review period only serve to increase application processing times for all applicants.

Please keep in mind that a complete application packet is only the beginning of the process, and must be followed by passage of the Board's jurisprudence examination. An applicant for licensure may not apply to sit for or submit examination fees for the Board's written examinations until he/she has been approved by the Board. Once an applicant has been approved to sit for the Board's written examinations, he/she will receive official notification from the Board containing instructions on how to apply for each examination.

You cannot register to take the Praxis School Psychology Examination through the Board office. You must contact the Educational Testing Service directly in order to register for this examination. Please note that you must have passed the Praxis School Psychology Examination prior to your application being reviewed.

In accordance with Board rules, applicants who have applied for this license and whose educational and internship qualifications meet Board requirements and who have passed the Praxis School Psychology Exam will be notified by the Board that they have met the training requirements at which time they may practice as a trainee under supervision for up to one year in the public schools, and during which year they are expected to pass the Jurisprudence Examination. Applicants are encouraged to take the Jurisprudence Examination as soon as they are approved by the Board to do so.

Upon passage of all required examinations, please allow 20 business days for issuance of your specialists in school psychology license following official notification of the last examination taken. Please do not contact the Board regarding your license during this time period.

Applicants who are currently licensed with this agency or who have applied previously may rely upon information submitted with a prior application, rather than having to submit the same information anew. To learn more about those checklist items that can be carried over from a previous application, please see the agency's policies regarding acceptance of previously submitted documents and passing exam scores available for download at www.tsbep.texas.gov/form-bank.

If you do not use this application form within the next three months, please check the Board's website to ensure you have the most recent version of this document.

If you have any additional questions, please email the Board's LSSP Licensing Coordinator at LSSP.Coordinator@tsbep.texas.gov.

Applicants are encouraged to keep a copy of all materials submitted to the agency in the event materials are lost in transit. Applicants are also encouraged to submit application materials via a method that allows tracking and proof of delivery. It is the applicant's responsibility to ensure that all required materials are received by the agency; the agency is not responsible for items lost or misdirected while in transit.

Instructions to Applicants for Obtaining Fingerprint Criminal Record Checks

NOTE: For those applicants reapplying for licensure, a Texas Department of Public Safety (DPS)/FBI fingerprint criminal history record checks is valid for six (6) months only.

Prospective applicants should wait until they apply before completing their fingerprint criminal history check. The Board is prohibited by state and federal law from accessing an individual's criminal history record information until that individual has applied for licensure. Applicants who obtain their fingerprint criminal history check prior to applying for licensure will be removed from the Board's access queue in the DPS system and may suffer delays in the licensure process as a result thereof. In an effort to ensure criminal history results are available to agency staff when processing an application, applicants are encouraged to wait five business days after mailing or delivering their application to the Board before completing their fingerprint criminal history check.

The Board is not permitted to receive or utilize fingerprint criminal history checks performed for other governmental entities. Thus, an applicant will need to undergo a fingerprint criminal history check, regardless of whether he/she has undergone one recently for another governmental entity. However, applicants who currently hold a license issued by this agency and underwent a fingerprint criminal history record check as part of the licensing process for that license do not need to undergo another check.

Texas Residents:

Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who reside in Texas are required to obtain fingerprint criminal history checks through the FACT Clearinghouse (formerly known as FAST Pass). This is a DPS program that provides electronic capture and submission of your fingerprints, and is the fastest and highest quality option available. Applicants may register for and schedule an appointment for their fingerprint criminal record check by downloading the in-state *Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form)* from the Board's website.

Non-Resident or Foreign Applicants:

Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who do not reside in Texas are required to obtain fingerprint criminal history checks for licensure.

Non-resident or foreign applicants may submit a written request for the out-of-state applicant fingerprint criminal record check packet, or download the out-of-state *Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form)* from the Board's website and follow the accompanying instructions. Email requests for applicant fingerprint packets should be directed

to Open.Records@tsbep.texas.gov. When requesting an out-of-state applicant fingerprint criminal record check packet, please be sure to include a mailing address. There is no charge for this fingerprint packet. The packet will include the *Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form)*, an instruction sheet about the process, and a fingerprint card to obtain the manual fingerprints.

Applicants electing to download the out-of-state *Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form)* may submit a written request for an official FBI fingerprint card to the Board, or obtain an official FBI fingerprint card from any amenable law enforcement agency. If an applicant obtains an official FBI fingerprint card from any source other than the Board, it is critical that the applicant print or type the correct ORI number (TX922240Z) on the form in the box labeled "ORI." Failure to do so will delay the licensure process and require the applicant to submit to another fingerprint criminal history background check. It is the applicant's responsibility to ensure the correct ORI number is utilized and that it is legible.

Once an applicant is pre-enrolled with the vendor, he or she must take the official FBI fingerprint card to a law enforcement agency in the applicant's state or country to have his or her fingerprints taken. Applicants should be prepared to pay a fee for having their fingerprints taken, as some agencies do charge a fee. The fingerprints must be taken by an appropriately trained law enforcement official. The fingerprint card must also be signed by a law enforcement official in the appropriate block. Please follow the directions on the card and provide all information requested except for the following: Your No.; FBI No.; Armed Forces No.; Miscellaneous No.; or Reason Fingerprinted.

After your fingerprints have been taken, please follow the mailing instructions set forth in the confirmation document provided to you upon completion of your pre-enrollment with MorphoTrust USA. The vendor will forward your digitized fingerprints to DPS.

New Users (those who have not applied or renewed online since June 2011) must create an online account to use the Online Licensing System. Opening a second account will not delete the first account.

Once you have completed the user registration a temporary password will be sent to your email address, and you will be asked to select a new password when you first attempt to login.

Once you have registered an account, and logged into the system, you may add your application(s) to your registered account. The screenshots below will help guide you through this process.

There are two application types to choose from:

- Psychology - LP, PLP, LPA (licensed psychologist, provisionally licensed psychologist, licensed psychological associate), or
- Psychology – LSSP (licensed specialist in school psychology).

You will need the following information to correctly associate your user account registration with your pending application in the online system:

- Social Security Number (no dashes)

If it does not include a 4-digit extension, then it cannot be entered with one.

If your current address of record does not have a zip code, e.g. foreign address, you cannot use the online system. You must download and submit the paper change of address form from the Board's website.

Once you have registered an account and added your application(s) to this registration, you may begin the process wherein you can change your address of record.
