Process for Becoming Licensed as a Psychologist in the State of Texas

1. Apply for provisional licensure (Board rule §463.10).

2. After application is approved, take and pass the Examination for the Professional Practice in Psychology (EPPP) and the Board’s Jurisprudence Examination. (Board rule §463.14).

3. Provisional Licensure is granted after passing both examinations.

   Note: In order to apply to sit for the Oral Examination, you must be provisionally licensed. However, it may take up to 20 business days for agency staff to issue your provisional license following official notification of the last examination successfully completed. Applicants are therefore encouraged to complete all written exams at least 30 days prior to the deadlines referenced below. Failure to do so may result in the applicant not being issued a provisional license before the deadline expires.

4. After provisional licensure, apply to take the Oral Examination. This examination is offered in January and July of each year (Board rule §463.15). Please review the “Important Dates” webpage at www.tsbep.texas.gov/important-dates for application deadlines.

   Note: In order to meet the deadlines for the Oral Examination, an applicant must submit and the Board must receive his/her Application to Sit for the Oral Examination and corresponding fee on or before November 15th (for the January Oral Examination) or May 15th (for the July Oral Examination). For deadlines falling on a weekend or state holiday, the deadline for receiving the application will be the first business day immediately preceding the weekend or state holiday. Applications post-marked prior to a deadline, but received after the deadline will be considered untimely and scheduled for a subsequent examination. Deadlines will be strictly enforced with no exceptions allowed.

5. Sit for and pass the Oral Examination (Board rules §463.11 and §463.15).

6. When experience requirements have been satisfied, apply for licensure as a psychologist. (Board rule §463.11, §463.13, and Section 501.252 of the Psychologists’ Licensing Act).

7. After a licensure file is complete and reviewed, the Board requires approximately six weeks to communicate its decision to you in writing.

Section 501.251 of the Psychologists’ Licensing Act states that a person must be licensed to provide psychological services to the public. Prior to licensure, a person may not provide psychological services unless they are specifically exempted by section §501.004 of the Act or
practicing pursuant to Board rules §465.3 and §465.4. Please see Board Rule §465.2 regarding supervision rules.

As you can see, this procedure is lengthy. If a person applied for provisional licensure by January 1, it is possible for that person to be licensed by October. This assumes that all information is timely received, all requirements are satisfied, and all examinations are passed. Persons applying from outside the state may wish to begin the application process prior to moving to Texas, provided that all educational requirements have been satisfied.
Instructions to Applicants for Obtaining Fingerprint Criminal Record Checks

NOTE: For those applicants reapplying for licensure, a Texas Department of Public Safety (DPS)/FBI fingerprint criminal history record checks is valid for six (6) months only.

Prospective applicants should wait until they apply before completing their fingerprint criminal history check. The Board is prohibited by state and federal law from accessing an individual’s criminal history record information until that individual has applied for licensure. Applicants who obtain their fingerprint criminal history check prior to applying for licensure will be removed from the Board’s access queue in the DPS system and may suffer delays in the licensure process as a result thereof.

The Board is not permitted to receive or utilize fingerprint criminal history checks performed for other governmental entities. Thus, an applicant will need to undergo a fingerprint criminal history check, regardless of whether he/she has undergone one recently for another governmental entity. However, applicants who currently hold a license issued by this agency and underwent a fingerprint criminal history record check as part of the licensing process for that license do not need to undergo another check.

Texas Residents:
Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who reside in Texas are required to obtain fingerprint criminal history checks through the FACT Clearinghouse (formerly known as FAST Pass). This is a DPS program that provides electronic capture and submission of your fingerprints, and is the fastest and highest quality option available. Applicants may register for and schedule an appointment for their fingerprint criminal record check by downloading the in-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) from the Board’s website.

Non-Resident or Foreign Applicants:
Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who do not reside in Texas are required to obtain fingerprint criminal history checks for licensure.

Non-resident or foreign applicants may submit a written request for the out-of-state applicant fingerprint criminal record check packet, or download the out-of-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) from the Board’s website and follow the accompanying instructions. Email requests for applicant fingerprint packets should be directed to Open.Records@tsbep.texas.gov. When requesting an out-of-state applicant fingerprint criminal record check packet, please be sure to include a mailing address. There is no charge for this fingerprint packet. The packet will include the Texas Fingerprint Service Code Form (FAST
Fingerprint Pass Form), an instruction sheet about the process, and a fingerprint card to obtain the manual fingerprints.

Applicants electing to download the out-of-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) may submit a written request for an official FBI fingerprint card to the Board, or obtain an official FBI fingerprint card from any amenable law enforcement agency. If an applicant obtains an official FBI fingerprint card from any source other than the Board, it is critical that the applicant print or type the correct ORI number (TX922240Z) on the form in the box labeled “ORI.” Failure to do so will delay the licensure process and require the applicant to submit to another fingerprint criminal history background check. It is the applicant’s responsibility to ensure the correct ORI number is utilized and that it is legible.

Once an applicant is pre-enrolled with the vendor, he or she must take the official FBI fingerprint card to a law enforcement agency in the applicant’s state or country to have his or her fingerprints taken. Applicants should be prepared to pay a fee for having their fingerprints taken, as some agencies do charge a fee. The fingerprints must be taken by an appropriately trained law enforcement official. The fingerprint card must also be signed by a law enforcement official in the appropriate block. Please follow the directions on the card and provide all information requested except for the following: Your No.; FBI No.; Armed Forces No.; Miscellaneous No.; or Reason Fingerprinted.

After your fingerprints have been taken, please follow the mailing instructions set forth in the confirmation document provided to you upon completion of your pre-enrollment with MorphoTrust USA. The vendor will forward your digitized fingerprints to DPS.
The Texas State Board of Examiners of Psychologists (TSBEP) is partnering with the Association of State and Provincial Psychology Boards (ASPPB) to create a Universal Application for licensure in psychology. This application will be retained in the ASPPB databank for future use as applicants wish to become licensed in other states or provinces. Once this form and application fee has been received by TSBEP, the applicant’s information will be provided to ASPPB for further processing of the full on-line application. ASPPB will contact the applicant to obtain additional application information.
