Checklist for Application for Licensure as a Specialist in School Psychology

I. To ensure that your application for licensure as a specialist in school psychology is processed as efficiently as possible, please submit the following to the Texas State Board of Examiners of Psychologists:

A. Completed application form (a vita is not a satisfactory substitute). Be sure to include complete names and addresses of supervisors. Also, be sure to sign the last page of the form.

B. Application Fee: A fee of $220 (non-refundable), payable to the Texas State Board of Examiners of Psychologists (T.S.B.E.P.), to cover the cost of the Board’s consideration of your request for licensure.

C. One of the following, as applicable:

   Documentation indicating that you hold current certification as a Nationally Certified School Psychologist by the National Association of School Psychologists (NASP). You may obtain this documentation from the website of this organization and then mail it to the Board.

   OR

   If you are not credentialed by NASP, your application must indicate that you have taken and passed, at the approved pass rate set by the Board (660 if taken before 9/13/08; 165 if taken between 9/13/08 and 9/8/14; and 147 if taken 9/9/14 or thereafter), the National School Psychology Examination (administered by the Educational Testing Service, telephone number 800-772-9476) and the date you took and passed this exam. Also, your score on the National School Psychology Examination must be sent directly to the Board office from ETS.

D. Official Transcript(s) for all post-baccalaureate course work. The transcript(s) must be sent directly from your school(s), and must show the date the degree was conferred.

E. Three (3) acceptable reference letters. The Board requires a minimum of three references from psychologists or specialists in school psychology (LSSPs) or are credentialed in school psychology in their respective jurisdictions. CURRENT BOARD MEMBERS MAY NOT BE USED AS REFERENCES. The applicant is responsible for securing his/her own reference letters from those persons identified as references on the application form. These original reference letters must be included with the application form sent to the Board by the applicant.
F. If you are not credentialed by NASP and you were not graduated from a training program approved by NASP or accredited in school psychology by APA, you must also submit the Documentation of Supervised Experience form after it has been completed by your supervisor. This completed form must be submitted with your application. Please note that applicants who need to submit this form, need only to submit two (2) reference letters, not three (3).

G. DPS/FBI fingerprint criminal history record checks. In accordance with the separate instruction sheet, obtain a full state and federal criminal history record check by submitting your fingerprints to the vendor, MorphoTrust USA.

Items A, B, and E (and F for some applicants) must be received in the Board office as a complete packet to begin processing your application. Applications not including these items will not be accepted. Items C, D, and G can be received at a later date. However, do not delay in ordering these other items to avoid a delay in the processing of your application.

II. In accordance with Board rules, applicants who have applied for this license and whose educational and internship qualifications meet Board requirements and who have passed the National School Psychology Exam will be notified by the Board that they have met the training requirements at which time they may practice under supervision for up to one year in the public schools, and during which year they are expected to pass the Jurisprudence Examination. Applicants are encouraged to take the Jurisprudence Examination as soon as they are approved by the Board to do so.

III. Some information about the procedure which may be helpful:

A. All required information must be in the Board office for your file to be complete, and eligible for review. It is your responsibility to contact the Board office, preferably via email, to determine whether all required information has been received. Please keep in mind that a complete application packet is only the beginning of the process, and must be followed by passage of the Board’s written examinations.

B. After your application file is complete and has been reviewed, the Board requires approximately six weeks to communicate its decision to you in writing.

IV. There are three items which require special attention:

A. If you do not use this application form within the next three months, please check with the Board office to make sure information provided in this letter is still current (i.e., fees, application form, etc.).

B. You cannot register to take the National School Psychology Examination through the Board office. You must contact the Educational Testing Service directly in order to register for this examination. Please note that you must have passed the
National School Psychology Examination prior to your application being reviewed.

C. Board Rule §463.2 states an incomplete application remains in the active file for ninety (90) days, at the end of which time, if still incomplete, it is void.

An applicant for licensure may not apply to sit for or submit examination fees for the Board’s written examinations until he/she has been approved by the Board. Once an applicant has been approved to sit for the Board’s written examinations, he/she will receive official notification from the Board containing instructions on how to apply for each examination.

PLEASE CHECK OVER THIS ENTIRE CHECKLIST BEFORE SUBMITTING YOUR APPLICATION TO AVOID ANY DELAYS IN THE PROCESSING OF YOUR APPLICATION.

LSSP App. – October 2015
Instructions to Applicants for Obtaining Fingerprint Criminal Record Checks

NOTE: For those applicants reapplying for licensure, a Texas Department of Public Safety (DPS)/FBI fingerprint criminal history record check is valid for six (6) months only.

Prospective applicants should wait until they apply before completing their fingerprint criminal history check. The Board is prohibited by state and federal law from accessing an individual’s criminal history record information until that individual has applied for licensure. Applicants who obtain their fingerprint criminal history check prior to applying for licensure will be removed from the Board’s access queue in the DPS system and may suffer delays in the licensure process as a result thereof.

The Board is not permitted to receive or utilize fingerprint criminal history checks performed for other governmental entities. Thus, an applicant will need to undergo a fingerprint criminal history check, regardless of whether he/she has undergone one recently for another governmental entity. However, applicants who currently hold a license issued by this agency and underwent a fingerprint criminal history record check as part of the licensing process for that license do not need to undergo another check.

Texas Residents:
Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who reside in Texas are required to obtain fingerprint criminal history checks through the FACT Clearinghouse (formerly known as FAST Pass). This is a DPS program that provides electronic capture and submission of your fingerprints, and is the fastest and highest quality option available. Applicants may register for and schedule an appointment for their fingerprint criminal record check by downloading the in-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) from the Board’s website.

Non-Resident or Foreign Applicants:
Process for Obtaining Fingerprint Criminal Record Checks

Applicants for licensure with the Texas State Board of Examiners of Psychologists (TSBEP) who do not reside in Texas are required to obtain fingerprint criminal history checks for licensure.

Non-resident or foreign applicants may submit a written request for the out-of-state applicant fingerprint criminal record check packet, or download the out-of-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) from the Board’s website and follow the accompanying instructions. Email requests for applicant fingerprint packets should be directed to Open.Records@tsbep.texas.gov. When requesting an out-of-state applicant fingerprint criminal record check packet, please be sure to include a mailing address. There is no charge for this fingerprint packet. The packet will include the Texas Fingerprint Service Code Form (FAST
Fingerprint Pass Form), an instruction sheet about the process, and a fingerprint card to obtain the manual fingerprints.

Applicants electing to download the out-of-state Texas Fingerprint Service Code Form (FAST Fingerprint Pass Form) may submit a written request for an official FBI fingerprint card to the Board, or obtain an official FBI fingerprint card from any amenable law enforcement agency. If an applicant obtains an official FBI fingerprint card from any source other than the Board, it is critical that the applicant print or type the correct ORI number (TX922240Z) on the form in the box labeled “ORL.” Failure to do so will delay the licensure process and require the applicant to submit to another fingerprint criminal history background check. It is the applicant’s responsibility to ensure the correct ORI number is utilized and that it is legible.

Once an applicant is pre-enrolled with the vendor, he or she must take the official FBI fingerprint card to a law enforcement agency in the applicant’s state or country to have his or her fingerprints taken. Applicants should be prepared to pay a fee for having their fingerprints taken, as some agencies do charge a fee. The fingerprints must be taken by an appropriately trained law enforcement official. The fingerprint card must also be signed by a law enforcement official in the appropriate block. Please follow the directions on the card and provide all information requested except for the following: Your No.; FBI No.; Armed Forces No.; Miscellaneous No.; or Reason Fingerprinted.

After your fingerprints have been taken, please follow the mailing instructions set forth in the confirmation document provided to you upon completion of your pre-enrollment with MorphoTrust USA. The vendor will forward your digitized fingerprints to DPS.
